

TOP 100 RETURNING WRESTLERS IN DISTRICT 10

Finalized by Dan Albaugh on 11/30/08

This list is not a ranking of the 100 best wrestlers in District 10. *Rather, this list ranks the top 100 returning District 10 wrestlers who have the best opportunity to go far in the post-season tournaments of the 2008-2009 season.* Obviously, a lot of “hair-splitting” goes into preparing a purely subjective list of this nature. By hair-splitting, I mean that the chances of the #16 wrestler are probably as good as the #8 wrestler and there’s not a whole lot of difference between #30 and #60 and #70 and #100. Keep in mind that District 10 has sent 113 wrestlers to States in the past three years – 42 in 2007, 33 in 2007 and 38 in 2006. So, any wrestler listed in the top 100 has a good chance to go to Hershey. Don’t take this list too seriously as it was put together for fun and to generate some early-season wrestling conversation.

NOTE: From my Top 100 list of last year, I missed two State placewinners (David Osborne of Eisenhower and Justin Buchanan of Sharpsville) and three State qualifiers (Tyler Smith of Commodore Perry, Mike Vernille of Hickory and John Apa of Hickory). Mason Beckman of Reynolds was not included in my 2007-08 Top 100 Returners list because he was a freshman and not a returner. To see my 2007-08 Top 100 picks, click [here](#).
